

France de phase

See France at our expense!

We are sponsoring a multi-discipline trip to France in April & May 2010 for local outstanding professionals! We'll pay for airfare, meals, lodging, transportation, admission fees, etc. You take care of your passport and any gifts you wish to purchase.

This is not your usual tourist trip. You'll have exclusive inside access to people, places and events that most tourists never see. You'll live, eat and tour as a French native, in the company of French Rotarians. All the while, you'll have a Rotarian from our area leading your exchange team. This trip is for you if you're interested in sharing unique culture with others.

Deadline to apply is:

September 18, 2009: Team Leader

November 6, 2009: Team Members

For more information or to apply, contact your local Rotary club, or our District office.
