

**June 17, 2021**

On June 17, 2021, Governor John Bel Edwards and the Louisiana Department of Health (LDH) announced “Shot At A Million,” Louisiana’s new COVID vaccine reward program for the month of July and part of our larger Bring Back Louisiana campaign.

Shot At A Million is offering Louisiana residents the chance to win \$100,000 every Friday in July and a grand prize of \$1,000,000 at the end of the month to all registered residents ages 18+ who have chosen to receive at least one dose of the COVID-19 vaccine. Residents ages 12-17 who have received at least one dose” at least one dose of the vaccine are eligible to win one of nine \$100,000 educational scholarships.

Starting at noon on Monday, June 21, 2021, Louisiana residents will be able to register via the website ([www.shotatamillion.com](http://www.shotatamillion.com)), and those needing further assistance can call the Shot At A Million toll free hotline--877-356-1511-- from 8 a.m. to 7 p.m.

LDH’s Bring Back Louisiana grassroots campaign will be disseminating specific information about this rewards program, with registration, terms and conditions, and FAQs, being released as final information becomes available. Please join us in sharing these important assets, especially information on how to enter and become eligible for awards.
