1.	RATE OF TAX	- The rate of tax is determined from the total retail stores operated under the same general management, supervision, ownership or control, wherever located, including the Crowley store(s) covered by this report. Refer to License Tax Schedule above.
2.	MEASURE OF TAX	- The measure, or the amount of tax due the City of Crowley, is determined by applying the rate of tax to the total retail store(s) in Louisiana.
3.	EXAMPLE	- If an operator of a total of 36 retail stores located in Texas, New York, Alabama and Louisiana, operates 5 stores in Crowley, the amount of chain store tax would be computed as follows: The license tax schedule above shows that the rate of tax on a chain of between 35 and 50 stores is \$20.00 per Crowley store. Therefore, the amount of tax due would be 5 Crowley stores at \$20.00 each or a total of \$100.00.
4.	INTEREST AND PENALTY	- If return is not filed and tax paid before February first each year, there will be added to the tax interest at the rate of 12% per annum until paid and penalty at the rate of 5% for each thirty days of fraction thereof of delinquency not to exceed 25% in the aggregate.
5.	NEW STORES OPENED DURING TAXABLE YEAR	- The rate of tax for stores opened in Crowley after January 1 <sup>st</sup> shall be same as though the new stores were added to the number in operation on January 1 <sup>st</sup> .

This report must be made to the City of Crowley, Crowley, Louisiana. The remittance to cover the tax evidenced by this report must be mailed to the City of Crowley before February  $1^{st}$ .

If a store is opened in Crowley after June 30<sup>th</sup> of any year, the rate applicable to such store for the first year shall be one-half of the rate determined as hereinabove provided.

Use additional sheets is necessary.
