

January 23, 2024

The City of Crowley will have Sandbags available for Crowley Residents beginning at 7am tomorrow, January 24th. We will give out sandbags until 2pm or until we run out of sand. Residents MUST bring an ID to show proof of residence and expect to fill their own sandbags. Each resident will be allowed up to 10 sandbags. We are asking residents to be mindful of those who truly need sandbags. Please do not acquire sandbags if your home doesn't normally have flooding issues in flash floods. There will be assistance available for the elderly and handicapped. It is EXTREMELY important that Residents approach Public Works, at 220 Jack Mitchell Drive, from West Northern Ave at SLCC. This will help to facilitate traffic as smoothly as possible.
